

Our draft Local Housing Strategy – at a glance

Our vision

The right housing for our community, in accessible and sustainable places, that will successfully transition us into the future.

What are we trying to achieve?

Affordability

Housing is affordable for everyone.

Sequencing

High-amenity housing is provided in the right locations, serviced by community, social and physical infrastructure.

Suitability

Location, size and type of housing in Wagga Wagga meets the needs of our community at all life stages.

Design & adaptability

High-quality, adaptable, responsive and resilient, transitioning us to the future.

Why?

Our population is growing

Estimated an additional **8,900** people in Wagga Wagga by 2041.

=

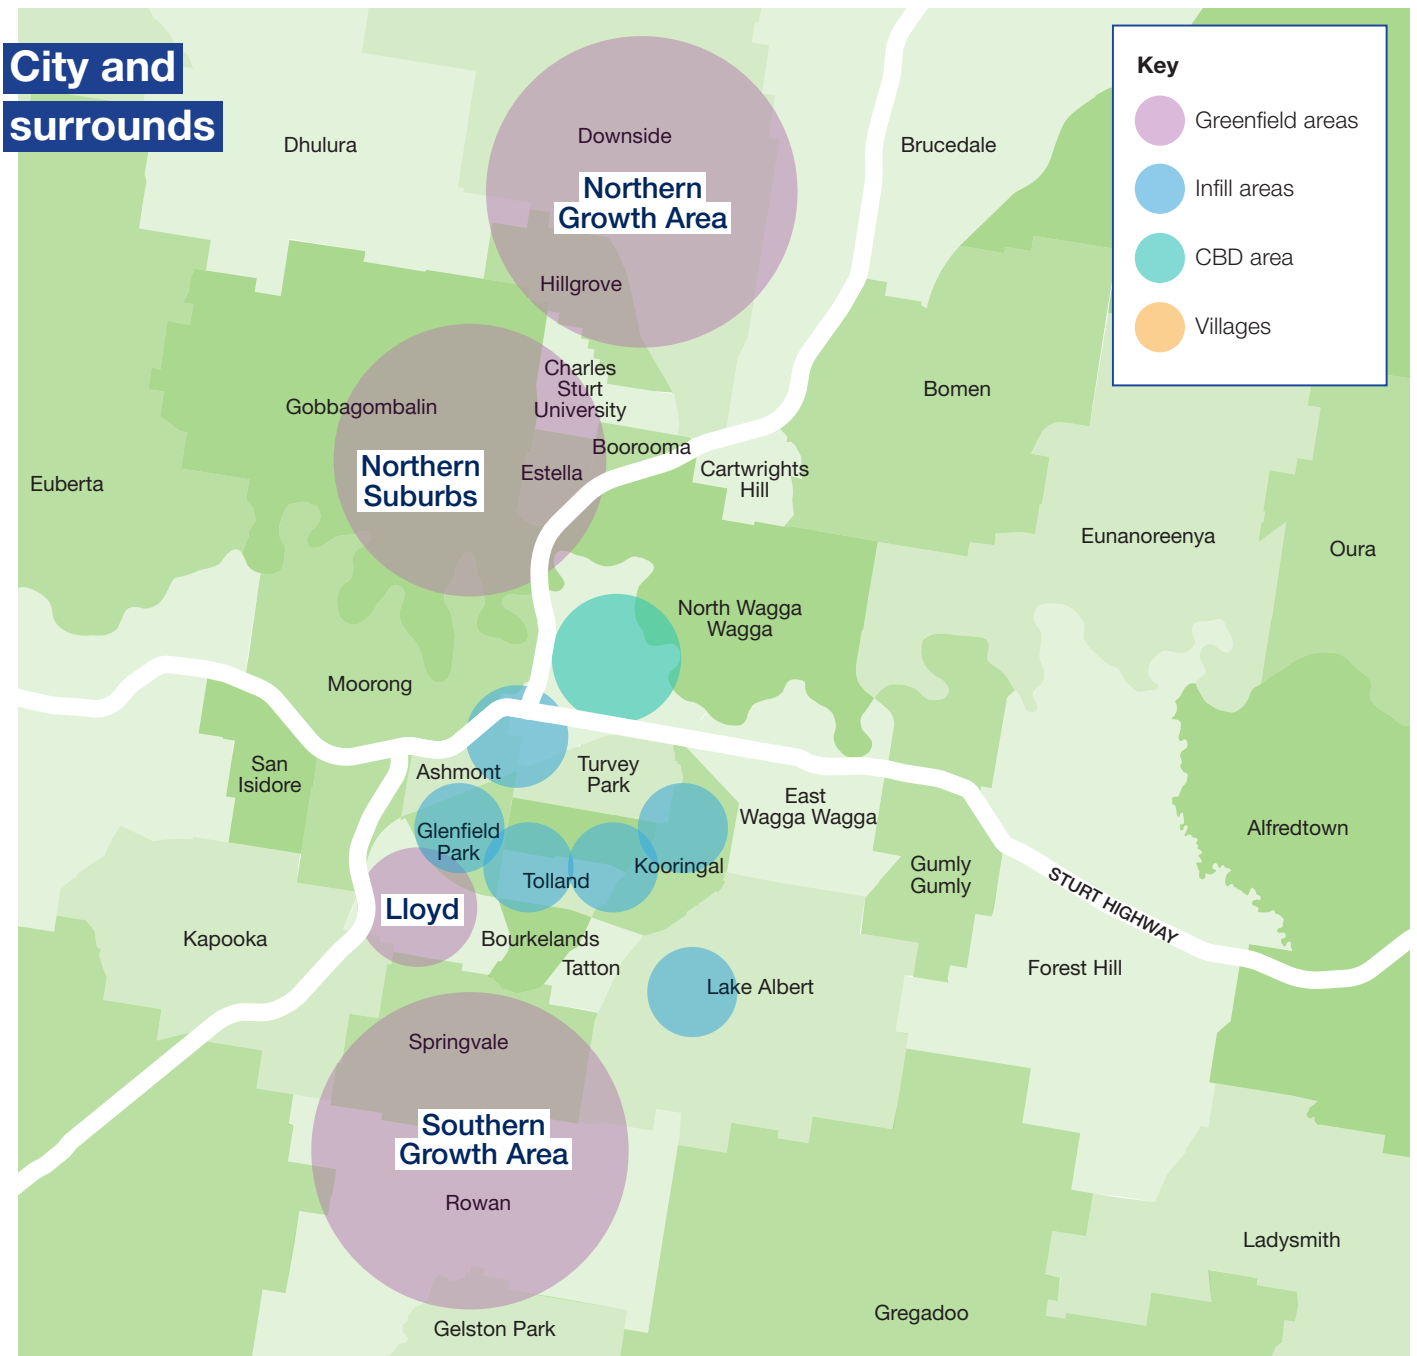

We need more housing!

We will need an estimated additional **4,150** dwellings for our future residents.
